What are cookies?

Cookies are small text files that may be stored on your computer or other device when you visit a website. They are generally used to make websites work, to keep track of your movements within the website, to remember your login details, and so on.

There are different types of cookies, and they can be distinguished on the basis of their origin, function and lifespan. Important characteristics of cookies include the following:

- First party cookies are cookies that are placed by the website you are visiting, while third party cookies are placed by a website other than the one you are visiting. Please note that we do not control the collection or further use of data by third parties.
- Necessary cookies are necessary to allow the technical operation of a website (e.g., they enable you to move around on a website and to use its features).
- Performance cookies collect data on the performance of a website such as the number of visitors, the time spent on the website and error messages.
- Functionality cookies increase the usability of a website by remembering your choices (e.g. language, region, login, and so on).
- Targeting/advertising cookies enable a website to send you personalized advertising.
- Session cookies are temporary cookies that are erased once you close your browser while persistent or permanent cookies stay on your device until you manually delete them or until your browser deletes them based on the duration period specified in the persistent cookie file.

More information on all aspects of cookies can be found on www.allaboutcookies.org.

Please note that Lester Lane has no affiliation with, and is not responsible for, this third party website.

Why do we use cookies?

We may use cookies to:

- distinguish between visitors;
- improve the use and the functionality of our website;
- tailor our website and products to your needs and preferences;
- analyse how our website is used and compile anonymous and aggregate statistics.

We do not use the collected information to create visitor profiles.

What types of cookies do we use?

This website uses cookies to better the users experience while visiting the website. Where applicable this website uses a cookie control system allowing the user on their first visit to the website to allow or disallow the use of cookies on their computer / device. Users are advised that if they wish to deny the use and saving of cookies from this website on to their

computers hard drive they should take necessary steps within their web browsers security settings to block all cookies from this website and its external serving vendors.

This website also uses the Twitter Button Widget to connect with the Twitter Blog.

Please note that the processing of your Personal Information in connection with cookies, and for other purposes, is governed by our Privacy Policy.

How can you control cookies and web beacons?

Most internet browsers are set to automatically accept cookies. Depending on your browser, you can set your browser to warn you before accepting cookies, or you can set it to refuse them. Please refer to the 'help' button (or similar) on your browser to learn more about how you can do this.

Disabling cookies may impact your experience on our website.

If you use different devices to access our websites, you will need to ensure that each browser of each device is set to your cookie preference.
